The Sleeping Beauty tells the story of lovely Princess Aurora who is cursed at birth by the spiteful fairy Carabosse. Rather than falling ill and dying as Carabosse planned, Princess Aurora, protected by the Lilac Fairy, falls into a slumber of 100 years on her 16th birthday. Only a Prince's sweet kiss will awaken her!

Complete with fairies and magic, princes and princesses, royal parties and weddings, audiences of all ages will be enchanted from beginning to end.

Leaping from page to stage, this beautiful and bewitching tale is brought to life by Ballet Theatre of Carmel Academy's pre-professional company, along with special guest artists, and young dancers from the one-of-a-kind "Be A Fairy Program". Featuring elaborate costumes, exquisite variations for nearly every character, and Tchaikovsky's timeless score, *The Sleeping Beauty* is a ballet experience you won't soon forget!

This family-friendly event has an intermission, as well as the lobby's Ballet Boutique, Sleeping Beauty's Bake Sale, and a Dancer Meet & Greet for all to enjoy.
